Blueberry Springs Starter Box Set (Contains books 1-3)

** These books have been written as standalones and do not contain cliffhangers (with the exception of the Sweet Treats collection—two of the short stories have mild cliffhangers). The Blueberry Springs books can be read out of order without the reader feeling lost.*

As for the Sweet Treats collection (book 4) there are three short stories inside:**

- Whiskey and Gumdrops Hearts (set after the novel Whiskey and Gumdrops)
~ Mandy & Frankie
- Vodka and Chocolate Hearts (set before the novel Vodka and Chocolate Drops)
~ Amber & Scott
- Tequila and Candy Hearts (set before the novel Tequila and Candy Drops)
~ Nicola & Todd

**So Sweet Treats can be read as book 4 without messing anything up, or you can read it right after book 1 and that's okay too!

Read order for Jean Oram's Summer Sisters Tame the Billionaires series:

- 1) Love and Rumors (Hailey Summer & Finian Alexander)
- 2) Love and Dreams (Maya Summer & Connor MacKenzie)
- 3) Love and Trust (Melanie Summer & Tristen Bell)
- 4) Love and Danger (Daphne Summer & Evander de la Fosse)
- 5) Love and Mistletoe (Simone Pascal & Josh Carson)

It is recommended these books be read in order as they do contain mild cliffhangers and while all having their own story lines, do have one story line that continues across books 1-4.
