

Jean Oram Books Read Order List

-> Updated August 2024 <-

Thank you for reading my books! I hope you adore their happy endings and the laughter and tears that are shared along the way.

Have you read all 35+ romances?

My books, with the exception of The Summer Sisters series, have been written so you can jump in anywhere. (And even then, you can read that series out of order without being completely lost! You just might miss a few of the Easter eggs hidden for you.) So if you prefer to read your books in timeline order I've got your back with this master list.

Reach out and say hello on social media or ask me a question if you're still confused (or just want to tell me who your favourite character is). Enjoy!

XO

Jean

Sweet Matchmaker, Sweet Holiday Surprise and Sweet Forgiveness tie into the Veils and Vows series with crossover characters. Sweet Troublemaker and Sweet Joymaker tie into The Cowboys of Sweetheart Creek, Texas series.*

If timelines are truly your thing and you get hives thinking about reading books out of their timeline, read Sweet Troublemaker before The Cowboys of Sweetheart Creek, Texas series and Sweet Joymaker between books 3 & 4 of that series. Read Sweet Matchmaker before The Surprise Wedding (Veils and Vows) and read Sweet Forgiveness before The Marriage Pledge

(Veils and Vows). Sweet Holiday Surprise can be read after The Wedding Plan (Veils and Vows).

But truly, read the Indigo Bay books in any order you want! The crossovers are written so you won't spoil anything huge by jumping in and out of the various series and into whichever book suits your fancy.
